Schedule "B"
Servicing Allocation Policy Amendment
September 2017 (Revised April 2018)

NOTWITHSTANDING Section 3 of this Servicing Allocation Policy, Council hereby reserves system capacity for development or redevelopment within the Uxbridge Downtown, subject to the following:

- a) System capacity is hereby reserved (as of September 11, 2017) in the amount equivalent to 600 people without the need for further Council resolution.
- b) An owner of property within the Downtown area for which capacity has been reserved, who wishes to receive final allocation of a portion of said reserved capacity, shall be required to enter into an agreement which shall contain any conditions that may be imposed by Council in allocating the reservation of capacity to the said property.
- c) System capacity reserved pursuant to this Schedule "B" shall be considered finally allocated only in accordance with Section 3.2 of the Servicing Allocation Policy.
- d) The reservation of capacity pursuant to this Schedule "B" shall remain in effect only until December 31, 2020, following which any remaining reservation of capacity shall be automatically withdrawn if by that time such capacity has not been finally allocated and confirmed upon execution and registration of a subdivision or condominium agreement, or upon approval of a service connection application in the event of a consent, site plan approval or for an existing lot of record.
- e) Notwithstanding (d) above, Council may extend reservation of capacity beyond December 31, 2020, by resolution, if an application is considered to be sufficiently processed to warrant an extension, in the sole and unfettered discretion of Council.
- f) The reservation of capacity does not guarantee that any development approvals will be granted. The development approvals are the subject of a separate process under the Planning Act.

Schedule "C"
Servicing Allocation Policy Amendment
April 2018

NOTWITHSTANDING Section 3 of this Servicing Allocation Policy, Council may, by resolution, reserve system capacity for any proposal for development in Phase 1 which proposes a long term care facility (meaning a premises licensed as a long-term care home under the *Long-Term Care Homes Act*, S.O. 2007, c. 8), subject to the following:

- a. The reservation of capacity shall be confirmed by a resolution of Council;
- b. The owner of the property for which capacity has been reserved may be required to enter into an agreement which shall contain any conditions imposed by Council in granting the reservation of capacity;
- c. The reservation of capacity shall remain in effect for a period of time as determined by Council, such period of time not to exceed 5 years, as set out in Council's resolution, following which reservation of capacity shall be automatically withdrawn if by that time if the owner has not yet been granted site plan approval and zoning approval which may be subject to a holding "H" symbol to deal with, among other things, the issue of servicing allocation;
- d. The reservation of capacity does not guarantee that any development approvals will be granted. The development approvals are the subject of a separate process under the Planning Act.
