Summer Student Positions

The Lucy Maud Montgomery Society of Ontario (LMMSO) runs the National Historic Site in Leaskdale, maintaining the legacy of author Lucy Maud Montgomery. We receive funding from the Ontario Government to hire two summer students.

Successful candidates will be expected to assist with the daily running of both the church and manse; such as giving tours and assisting with teas and other events. They will work a five day week, including weekends with two days off mid week.

Please send resume and cover letter to tessdempster@gmail.com or drop your application off at the Township office. Closing date is April 15, 2025.
